**REPLY AND AMENDMENT**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the Office Action mailed on February 6, 2002, Applicants submit concurrently herewith a copy of the presently pending claims (Appendix A) and a petition for an extension of time for one (1) month to and include June 6, 2002.

**In the Claims:**

Please cancel claims 1-13.

Please add the following new claims:

*Sur 31*  
*NN?*

14. (New) A process for the cryo-preservation of a primary explant comprising the step of cryofreezing the primary explant, wherein the primary explant comprises a plant tissue that has been subjected to an induction medium for a time sufficient to induce a primary regenerating tissue, but not a somatic embryo.

*A*  
15. (New) The process of claim 14, further comprising a two step incubation of the primary explant, wherein the primary explant is first incubated in a medium containing 0.4 M sucrose followed by incubating the primary explant in a medium containing 1 M sucrose.

16. (New) The process of claim 14, further comprising the step of dehydrating the primary explant prior to cryofreezing.
